Re: Approval of Bid Recommendation for HS Concrete Improvements

On July 4th, 2022 a Request for Proposal (RFP) was circulated for the following summary of professional services:

- Improvements to concrete sidewalk between B1400 and Greenhouse
- Improvements to concrete sidewalk between ELC and Playground
- ADA improvements to front sidewalk to greenhouse
- Miscellaneous concrete repairs, curb, and drainage improvements

Interested firms were invited to submit (a) a statement concerning their company history and the qualifications of their key personnel, (b) a bid security, (c) a performance bond, (d) a prevailing wage rate verification and (e) a separate pricing statement.

The bid opening was held Wednesday July 27th, 2022 at 1:00 p.m. Two firms submitted bids (see attached Bid Tab sheet). The low bidder, Irving Construction Co., Inc., had a bid of \$150,000.00. The company had excellent references and its bid was within the range of the architect's estimate.

Approval of the Irving Construction Co., Inc. bid is recommended.
