Welcome and Introductions

Leslie thanks the members for their participation. Their knowledge is crucial to making sure that Kishwaukee
 the Advisory Committee

then offer the program on alternating years. This has been done to maximize enrollments in each cohort. The next cohort will be scheduled for the Fall of 2020 and will continue to be scheduled each even numbered year. Interested students will be encouraged to take the prerequisite courses in Fall of 2019 and Spring 2020. The target is to have 16 students, the max capacity, enrolled.

Curriculum Changes

This spring, the course student learning outcomes in both programs were revised so that they are more in line with the institutional assessment plan.

Curriculum changes from Fall 2018 have been approved by the ICCB.

Have brochures and curriculum fliers everywhere, including high schools.
